## TECHNICAL SKILLS

**Languages:** Python, Java, JavaScript, HTML, CSS, SQL

**Frameworks & Tools:** Django, MySQL, Git/GitHub, VS Code

**Core Areas:** Web Development, Software Development, Data Science, AI Tools

## EXPERIENCE

### Software Developer & Tester Intern | VoidOnyX

July 2026 – Present

- Applying software testing, debugging, UI/UX evaluation, and analytical problem-solving to improve product quality and user experience.
- Gaining hands-on experience across HRMS, web technologies, SEO, and digital product operations, working in a collaborative development environment.
- Contributing to the development and quality assurance of **modern, responsive web platforms**, with a focus on reliability, usability, and performance.

## PROJECTS

### PORTFOLIO WEBSITE | HTML, CSS, JavaScript

- Developed and deployed my personal portfolio website, **ritiksharmaa.in**, to showcase projects, technical skills, and achievements.
- Built a fully responsive and optimized UI using modern web technologies, improving accessibility and user experience across devices.
- Hosted the website live on Google Cloud Platform with custom domain integration, performance optimization, and seamless navigation for recruiters and hiring managers. ([Try it here](#))

### JOB PORTAL WEBSITE | Django, HTML, CSS, JavaScript, MySQL

- Built a Job Portal Website to help users search and apply for jobs with an intuitive and responsive interface.
- Developed features like job listings, search filters, and recruiter/job seeker authentication using modern web technologies.
- Deployed the platform with optimized performance and seamless user experience for recruiters and candidates.

### AI RESUME CHECKER | Python, AI Tools

- Built an AI-powered resume analysis system that evaluates resumes and provides improvement suggestions.
- Enhanced resume screening efficiency using automated text analysis and feedback generation.

## CERTIFICATIONS

- AWS Certified Developer – Associate Certification
- Generative AI Foundations: Advanced Generative AI Techniques for IT
- Generative AI Foundations: IT Integration with Generative AI
- Cyber Security Overview
